

Miss Olivia began dancing at the age of 2 and has been competing since the age of 8. She has been trained in jazz, tap, ballet, pointe, modern, contemporary and hip hop and has been training with Astound Dance Academy since their inception in 2013. She has been a member of the Astound Performance Company as a dancer in the senior company and a classroom teaching assistant for the past three dance seasons. Throughout her training she has taken class under many world renowned instructors by traveling to master classes and conventions around the Tri-State area. She cannot wait to share her love of dance with her students as she joins the staff of Astound Dance Academy this season!
